

4. Atmosphere (Mark all those that you observe)

Students were:

- Frustrated
- Focused
- Engaged in the activity
- Rushed
- Bewildered
- Careless
- Eager to participate
- Crowded

Test administrators/teachers were:

- Focused
- Adhering to the script
- Engaged in the activity
- Rushing
- Informed
- Caring
- Observant
- Organized

Comments:

5. Accommodations:

Did the test administrator know which accommodations a student is supposed to receive? Describe the process (the logistics) for delivering test accommodations.
